WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste: NDIC Reclaim

Waste Disposal Location: ☒ Prairie Disposal Landfill ☒ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:

SOLID ☒ LIQUID ☒ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials and that all known suspected hazards have been disclosed and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
NDIC Clean UP

Waste Disposal Location: ☒ Prairie Disposal Landfill ☐ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☒ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste: NDIC Clean Up

Waste Disposal Location: ☒ Prairie Disposal Landfill ☐ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☒ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility

TRANSPORTER INFORMATION

ND Solid Waste Transporter Permit # WH- 2326

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste: NDIC Clean Up

Waste Disposal Location: [X] Prairie Disposal Landfill [ ] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:

SOLID [X] LIQUID [ ] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

Agent/Generator:

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
NDIL Clean up

Waste Disposal Location: ☑ Prairie Disposal Landfill ☐ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☑ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive material and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste: MDH Clean out

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:

SOLID [✓] LIQUID [ ] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive material and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:
SOLID [✓] LIQUID [✓] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the materials described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce NORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11 - 23 2020 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

DATE 12-2-20 20____ POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Reclaim Pad NDIC Cleanup

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:
SOLID [✓] LIQUID [ ] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11-8-20 20 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

DATE 11-8 20 20 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

51556

G-STYLE TRANSPORT

PO Box2104
Williston, ND 58802

DISPATCH
701-609-8802

DATE 11-18-2020 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

DATE 12 16 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Hvac out the Treater and Tanks for NDIC Reclaim work

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☐ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☑

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11-27- 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

***** **CAUTION:** This email originated from an outside source. Do not click links or open attachments unless you know they are safe. *****

Attached is the Basin Invoice #148130
Attached is the SLT Fencing Invoice #796754
The seed is bought in bulk and divided over multiple locations. I have attached various invoices for your records reflecting the costs.
The misc fencing materials were stock from our shop. I have attached various invoices reflecting those costs. Those are attached to this email.

DATE 11 · 17 2020 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

***** **CAUTION:** This email originated from an outside source. Do not click links or open attachments unless you know they are safe. *****

Attached is Smithies invoice #W201870
Attached is Basin Invoice #148123
The seed invoices are the same invoices I sent in the previous email along with the misc fencing supplies.

ND Solid Waste Transporter Permit # WH-

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Contaminated Dirt

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:
SOLID [✓] LIQUID [✓] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

Agent/Generator:
Print Name Ryan Liudahl Signature Ryan Liudahl

DATE 12-17-2020 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

TRANSPORTER INFORMATION

ND Solid Waste Transporter Permit # WH-

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste: Contaminated dirt

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste: SOLID [✓] LIQUID [X] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

Agent/Generator:
Print Name: Ryan Liudahl Signature: Ryan Liudahl

DATE 11-28-20 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

DATE 12/4 2020 POINT OF ORIGIN

The property described below in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

TRANSPORTER INFORMATION

ND Solid Waste Transporter Permit # WH-

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Contaminated dirt

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:
SOLID [✓] LIQUID [✓] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that the waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

Agent/Generator:

DATE 11-17 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

DATE 12/10 2020 POINT OF ORIGIN _____

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.
