DATE [redacted] 20____ POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

Here you go.

Seed was bought in bulk and used for multiple locations. Some of the seeding invoices are attached.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Hvac out the Treater and Tanks for NDIC Reclaim work

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☐ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☑

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Reclaim Pad NDIC

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:
SOLID [✓] LIQUID [✓] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11-7-20 20 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

DATE 11-18 2020 POINT OF ORIGIN Williston, ND

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

TRANSPORTER INFORMATION

ND Solid Waste Transporter Permit # WH-

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Hvac out the Treater and Tanks for NDIC Reclaim work

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☑ LIQUID ☑ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 12/3 20 20 POINT OF [redacted]

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:

Contaminated Dirt

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:

SOLID [✓] LIQUID [X] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Contaminated Dirt

Waste Disposal Location: [✓] Prairie Disposal Landfill [✓] Prairie Disposal Treatment Plant [ ] Chimney Butte Landfill [ ] Smoky Butte Landfill

Physical Description of the Waste:
SOLID [✓] LIQUID [X] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11-7-20 20____ POINT OF ORIGIN _____

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classifications or tariff which govern the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

G-STYLE TRANSPORT

PO Box2104
Williston, ND 58802

DISPATCH
701-609-8802

DATE 12-13 20 20 POINT OF ORIGIN

This property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

DATE 12-13 20 20 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its own route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

DATE 12/9 2020 POINT OF ORIGIN Williston ND

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

STRAIGHT BILL OF LADING - SHORT FORM 47360
NOT NEGOTIABLE

G-STYLE TRANSPORT

PO Box2104
Williston, ND 58802

DISPATCH
701-609-8802

DATE 12-4 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Contaminated Dirt

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☑ LIQUID ☒ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

Description:

Used telehandler and backhoe to load 3 tanks, 1 treater, and 3 separators onto trucks and had subs haul them off location. removed tin and insulation from water tank. Loaded treater shack into dump trailer and hauled to landfill. Picked up all remaining pipe and loaded onto gooseneck to go to scrap. Cleaned up work area. Hauled two loads of scrap to scrap yard in Williston and returned trailers to location. Third party Charges from Chamley pipe and salvage for shearing and hauling off two tanks that were too large for traditional transport.

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Hvac out the Treater and Tanks for NDIC Reclaim work

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☐ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☑

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11/22 20 20 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which govern the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

Apollo/Madison Reclamation

BALANCE DUE **$893,186.40**

Conditions:

1) Any delay caused by the utility, weather, or landowner, does not put DWS in a non-performance case due to any timeline restrictions or payment penalties.
2) DWS assumes it can use topsoil on site to recontour location.
3) Landowner- If landowner has special requirements that are not customary or standard, and above the price submitted, resolution assistance from the NDIC will be necessary.

Madison Treating Plant #1

Field Ticket	Description
10002282	**10/8/2020** Basin Invoice to Line Locate.
10002284	**10/20/2020** Basin Invoices for the day line was struck. Remove fluid from trench and temporarily plug the lines.
10002362	**11/13/2020** Checked on line and installed additional clamp to ensure no leaks.
10002501	**10/21/2020** Credit Card Receipt: Spearfish Oilfield Supply - Sales order 19759
10002697	**10/30/2020** Invoices for repairs to Ruth Vequam flow line that was struck by civil crew. Invoice: Ham's - 67719 - This work was performed on 10/30. All three lines were checked for damage and repaired. Invoice: Ham's - 67726 - This work was performed on 11/2. Pressure tested all three lines. Two lines passed and one had a small drip. Invoice: Ham's - 67940 - We had trouble finding the correct parts. This centron pipe is no longer fabricated. After repairs were made again, pressure tested the previously failed line. It failed again. We regrouped and finally found the correct parts in Texas.
10002727	**11/25/2020** Drove to location to inspect fixed pipeline. Determined that the line was not in acceptable condition for integrity test. Contacted supervisor to discuss alternative material options to fix line. Demobilized from location.
10002868	**12/15/2020** Loaded fiberglass pipe onto trailer. Hooked dump trailer up to 1T 104. Drove to Kenmare ND.
10002876	**12/16/2020** Drove to location. Unloaded fiber glass pipe. Assisted Hamms setting up heater. Allowed snow and ice to melt off pipe. Cut fiberglass pipe and began shaving one end. Contacted TS&M because shaver was missing sleeve. Lined out hrydra vac and had them clean out around pipe 10ft to the east and 5 ft to the west. Hauled gooseneck trailer back to the Tenneco 1-17.
10002908	**12/17/2020** Drove to location. Assisted Hamms putting heater on fiberglass pipe in trench. Setup fiber glass shaver and pipe on the back of Hamms roustabout truck. Marked pipe and cut pipe to shave down. Checked with collar. Moved down into trench, cut fiber glass pipe in two spots and pulled pipe out of trench. Used shaver to shave down the ends of both fiberglass ends. Cleaned the ends of the pipe and inside collars with an emory cloth. Mixed glue and put on pipe ends evenly completely around the pipe and inside the collar. Installed collars on ends of pipe. Applied heat wrap and let set for 1 hr. After glue cured on collars, pulled measurement, cut fiberglass pipe, shaved other end and cleaned with emory cloth. Mixed up two more glue buckets and evenly applied glue completely around pipe and inside of collar. Lifted the ends of each fiberglass line and set new piece in between both lines. Used brush to cleanup glue around collar ends. Applied heat wrap, pulled tarp back over pipe connections, reset heater lines and secured tarp. Cleaned up work area, returned to Tenneco 1-17.
10002936	**12/18/2020** Drove to disposal, hooked hot oiler up to salt water tank and loaded 20 bbls onto his truck. Drove to EC Ingersoll 2 and hooked hot oiler up to well head. Drove over to Ruth Vedquam, pulled off head wraps and began pressure test. Tested line at 150 psi and held for 1 hour. Lined out excavater operator with what needed to be down and how when backfilling trench. Bedded sand underneath pipe and compacted. Capped pipe with sand 1.5ft about pipe and began breaking up sub soil to backfill trench.
10002956	**12/14/2020** Coordinating with contractors for Wednesday repair.
10002982	**11/30/2020** Rad Pro Invoice for contamination survey at Ruth Vedquam line strike.
10002983	**11/23/2020** Ham's Well Service attempt to fix line strike.
10003000	**12/18/2020** Dedrick Hotel Expense to make Ruth Vedquam Repairs. Billed to Jordan's Corporate Credit Card
10003101	**12/31/2020** Spearfish Supply - 20554 - Tee for hydrotesting Ruth Vedquam flow line that was damaged.
10003144	**12/29/2020** Invoice: TS&M - Material to repair the Ruth Vedquam Emulsion Line.

10003145	**12/16/2020** Invoice: Badger - Exposing pipe to make repair on the Ruth Vedquam.
10003150	**12/18/2020** Invoice: Farden - Delivered one load of sand to bed the flow line repair.
10003151	**12/18/2020** Invoice: Mikkelsen - Backfill the line strike repair.
10003152	**12/18/2020** Invoice: Castle Oilfield Services - Hot Oiler was used to hydro test the repairs on the Ruth Vedquam line strike.
10003153	**12/19/2020** Invoice: Hams Well Service - Made the repairs to the flow line that was damaged at the Ruth Vedquam.
10003154	**12/18/2020** Invoice: Hams Well Service - Demobilize heater from the Ruth Vedquam. Heater was used to help cure the repair collars.

CUSTOMER AGREES TO PAY FOR INVOICES OR SERVICES ON A NET 30-day basis from date on which purchases were involved. Basin Service shall not be liable for or does not agree to hold Customer harmless from damages that occur "down hole", or any loss of production, or any loss of oil in place. If Customer disputes any item invoiced, Customer shall, within twenty (20) days after receipt of invoice, notify Basin Service of item disputed, specifying reason therefore and payment of disputed item shall be withheld until settlement of dispute, but payment of any undisputed portion shall be within terms. All payments shall be made at P.O. Box 397, Westhope, ND 58793. Customer accepts all terms and conditions of sale and service including those provided with Basin Service's Price List.

SAFETY TOPIC:

(Note - Pricing and extensions, if shown, are subject to verification and correction at time of invoicing.)

TRANSPORTER INFORMATION

ND Solid Waste Transporter Permit # WH-

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Hvac out the Treater and Tanks for NDIC Reclaim work

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☐ LIQUID ☐ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☑

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TE NORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

TRANSPORTER INFORMATION

ND Solid Waste Transporter Permit # WH-

WASTE STREAM INFORMATION

Brief Description of Process that Produced the Waste:
Contaminated Dirt

Waste Disposal Location: ☑ Prairie Disposal Landfill ☑ Prairie Disposal Treatment Plant ☐ Chimney Butte Landfill ☐ Smoky Butte Landfill

Physical Description of the Waste:
SOLID ☑ LIQUID ☒ LIQUID W/ SOLID RESIDUALS ☐ SLUDGE ☐

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating this waste stream, prior to offering the waste for management by this facility.

DATE 11-17 20 20 POINT OF ORIGIN

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is agreed that as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

DATE 12-5 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns

Physical Description of the Waste:
SOLID [✓] LIQUID [X] LIQUID W/ SOLID RESIDUALS [ ] SLUDGE [ ]

My signature certifies that all information contained herein is true and accurate, and the material described is properly identified, labeled and prepared as indicated. I certify that this waste to the best of my knowledge has not been diluted to reduce TENORM levels. I certify this waste does not contain any regulated radioactive materials, and that all known suspected hazards have been disclosed, and the waste is not a regulated hazardous waste as defined by federal, state or local authority. I also certify that all samples used for analysis of waste are representative of the materials described herein. I understand that all wastes may undergo inspection upon arrival at the facility and may be refused if the delivered material does not conform to the description herein. Notification will be provided immediately if there is a change in the composition or process generating the waste stream, prior to offering the waste for management by this facility.

DATE 11-8-20 20____ POINT OF ORIGIN ____

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

DATE 12-4 20 20 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns.

DATE 12-15- 2020 POINT OF ORIGIN Williston

The property described below, in apparent good order, except as noted (contents and condition of contents of packages unknown), marked, consigned, and destined as indicated below, which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed, as to each carrier of all or any of said property over all or any portion of said route to destination, and as to each party at any time interested in all or any of said property, that every service to be performed hereunder shall be subject to all the terms and conditions of the Uniform Domestic Straight Bill of Lading set forth (1) in Official, Southern, Western and Illinois Freight Classifications in effect on the date hereof, if this is a rail or a rail-water shipment, or (2) in the applicable motor carrier classification or tariff if this is a motor carrier shipment.

Shipper hereby certifies that he is familiar with all the terms and conditions of the said bill of lading, including those on the back thereof, set forth in the classification or tariff which governs the transportation of this shipment, and the said terms and conditions are hereby agreed to by the shipper and accepted for himself and his assigns
