

**Facility Sundry Notices and Reports
 Type of Work Matrix**

The matrix below outlines the relations between categories, sundry types, and types of work

Sundry Type will always be "Other"

Facility Type may be one of the following: Battery, Drilling Rig, Gas Plant, Meter, Site, and Treating Plant

Category & Type of Work are broken down below:

| Battery | |
|---|---|
| Category | Type of Work |
| Battery (Central Tank Battery) | Completed Battery Reclamation Notification of Change in Commingling Notification of Commencement of Commingling Other Proposed Reclamation Plan Request Approval to Commingle at Surface |
| Other | Other |
| Remote Battery (Offsite Battery) | Notification of Offsite or Remote Battery Other |

| Drilling Rig | |
|---------------------|---------------------|
| Category | Type of Work |
| Other | Other |

| Gas Plant | |
|------------------|---|
| Category | Type of Work |
| Gas Plant | Notice of Decommission of Gas Plant Other Request Approval of Gas Plant |
| NGL Skid | Notice of Decommission of NGL Skid Other Request Approval of NGL Skid |
| Other | Other |

| Meter | |
|---------------------------------------|---|
| <i>Category</i> | <i>Type of Work</i> |
| Allocation Meter | Notification of Removal of Meter Other Request of Approval of New Meter |
| Custody Transfer (Sales) Meter | Notification of New Meter Notification of Removal of Meter Other |
| Other | Other |
| Prover | Notification of New Meter Notification of Removal of Meter Other |

| Site | |
|-------------------------------------|---|
| <i>Category</i> | <i>Type of Work</i> |
| CO2 Sequestration Facility | Other |
| Enhanced Oil Recovery | Other |
| Freshwater Storage | Other Proposed Freshwater Storage Site |
| Natural Gas Storage Facility | Other |
| Other | Other |
| Pilot | Other |
| Saltwater Handling Facility | As-Built Site Schematic Completed Change to Storage Capacity Completed Site Reclamation Other Proposed Reclamation Plan Request to Change Storage Capacity Tank Dike Variance Request |
| Well | Other |

| Treating Plant | |
|-----------------------|--|
| <i>Category</i> | <i>Type of Work</i> |
| Other | As-Built Facility Schematic Completed Addition of Equipment Completed Change to Storage Capacity Completed Facility Reclamation Completed Monitoring Well Installation Completed Spill Cleanup Completed TA of Facility Other Proposed Reclamation Plan Request to Add Equipment Request to Change Storage Capacity Request to TA Facility Suspension of Facility Activity Tank Dike Variance Request |
