

## 2019 Public Fossil Dig Registration Frequently Asked Questions [FAQ]

Prior Experience	Days per Dig	# of Digs
None	2	2
1 Year	4	2
2 or more years	Unlimited	unlimited

### **How many dig spots can I register for?**

It depends on your prior experience (see chart to right).

### **When do I pay my registration fees?**

For 2019, we are requiring payments to be made over the phone when you register. We spent a lot of time last year trying to track down unpaid registrations.

### **Will you be adding any additional dig days in 2019 if all the spots fill up?**

No. For the 2019 Public Fossil Digs the published dates are final. No additional days will be added.

### **When will registration begin for the 2019 Public Fossil Digs?**

We are still working out the details of when and how we will be taking registration this year, but we wanted to get the dates out as soon as possible so people could start planning for next summer. Please watch our website and our social media pages for updates.

### **What if the dates I want to sign up for are full before I get a chance to register?**

Unfortunately, we can't fit everyone into their preferred days. You are welcome to add your name to the waiting list for that day in case someone cancels. Please note, it is very hard to fit large groups (more than 4 people) in from the waiting list.

### **Is there anything I can do to improve my chances of being able to register for my preferred dates?**

We may have a donor program for the 2019 digs that would include priority registration. Stay tuned to our website and social media pages for more information in the coming days.

### **What are the physical demands at each dig? What amenities are offered at each dig?**

Please go to [www.dmr.nd.gov/ndfossil/digs/](http://www.dmr.nd.gov/ndfossil/digs/) and click on the link to the dig or digs you are interested in to find out more information about each dig.
