Subsurface Geologist

NDIC Department of Mineral Resources

North Dakota Geological Survey

L Location: Bismarck, ND

Salary: \$4,583 – \$7,083/month plus benefits including fully paid family health insurance

Closing Date: September 1, 2014

Position Number: 405-4963

Classification: Non-Classified Professional

Status: Full-time, Regular

Recruitment: Internal/External

Date Posted to Web: July 16, 2014

Minimum Qualifications

- Master's degree in geology, preference given for oil industry-related experience

Preferred Qualifications

- A broad background in subsurface geology, emphasis on sedimentary geology and stratigraphy
- Experience with wireline log interpretation preferred
- Ability to conduct studies and to prepare geologic maps
- Familiarity with oil well core descriptions
- Effective verbal and written communication skills are essential
- Ability to prepare technical reports of geologic studies for industry, government, and the public and for publication in technical journals
- Individual should be self-motivated
- Knowledge of PETRA or related subsurface database and mapping software is desired
- Computer experience with working knowledge of MS Office applications (Access, Excel, Word, Outlook)
- Applicant must have a valid driver's license

Application Procedures

- Apply by submitting qualifications online through the nd.gov recruiting solutions system:

https://www.cnd.nd.gov/psc/recruit/EMPLOYEE/HRMS/c/HRS_HRAM.HRS_APP_SCHJOB_GBL?FOCUS=Applicant&SiteId=11000

- Include, as attachments, a cover letter and resume, official college transcripts, and the names, addresses, and phone numbers of three references (faculty as well as past or present work supervisors).
- The Department of Mineral Resources staff will score applications against the minimum qualifications and preferences listed on the job announcement and qualifying military service. After the scoring is completed, a certified list of eligible candidates and the applications will be forwarded to the hiring manager for further consideration and possible interview, based on the final scores.
- Applicants who are residents of ND and eligible to claim veteran's preference must include Form DD214. Claims for disabled veteran's preference must include a current statement of disabled status from the Veteran's Affairs Office.
- Applicants must be legally authorized to work in the United States.

- All application material must be **submitted online** on or before the closing date.

For More Information, Assistance or Accommodation Contact: Fred Anderson, GeoTech Support Staff Officer with the N.D. Department of Mineral Resources: fjanderson@nd.gov or 701-328-8000
ND Relay Number: 1-800-366-6888

Summary of Work

Correlation of subsurface geologic units in the North Dakota portion of the Williston Basin using wireline logs, oil well cuttings, and cores. Requires strong verbal and written communication skills and the ability to represent the Geological Survey to the public, industry and other agencies.

Comments

NOTE: If unable to find applicants who meet the above outlined minimum qualifications, the hiring authority reserves the right to underfill the position with the following minimum qualifications: 1) bachelor's degree in geology and three years related industry experience; or 2) a master's degree in geology
