ND Certified Contractors

All geothermal wells must be constructed by a certified geothermal, water, or monitoring well contractor (Chapter 43-02-07-10, ND Administrative Code). Certification is administered by the North Dakota State Board of Water Well Contractors. Click [here](#) (<http://www.swc.state.nd.us/4dlink9/4dcgi/GetCategoryRecord/ND%20Water%20Well%20Contractors>) for more information or contact:

Jackie Klusman, Administrative Assistant, (701) 328-2754, e-mail: jklusman@nd.gov or
Doug Davison, Field Representative, (701) 391-5120, e-mail: ddavison3@bis.midco.net

The North Dakota State Water Commission maintains a list of geothermal, water, and monitoring well contractors who are licensed to operate in North Dakota. To access the list click [here](#) (<http://www.swc.state.nd.us/4dlink2/4dcgi/contractsearchform/ND%20Water%20Well%20Contractors>)
