

# Areas of Landslides Driscoll Quadrangle, North Dakota

**Benjamin C. York  
&  
Fred J. Anderson**

**2025**

Areas of landslides were investigated within this quadrangle based on a review of county historical aerial photography flown in July 1957 by the United States Department of Agriculture (USDA). Additional data sources include digital orthophotography from the USDA National Agriculture Imagery Program (NAIP) flown in September 2024 and the North Dakota Geological Survey LiDAR Map Series, which compiles raw data flown in April to May 2024 from the North Dakota State Water Commission. From this investigation, no landslides were mapped within the quadrangle.

### ROAD CLASSIFICATION

- |               |                  |                 |             |
|---------------|------------------|-----------------|-------------|
| Expressway    |                  | Local Connector |             |
| Secondary Hwy |                  | Local Road      |             |
| Ramp          |                  | 4WD             |             |
|               | Interstate Route |                 | US Route    |
|               |                  |                 | State Route |
