

Areas of Landslides

Talbot Butte Quadrangle, North Dakota

Christopher A. Maike

2024

Areas of landslides were investigated within this quadrangle based on a review of county historical aerial photography flown in 1957 by the United States Department of Agriculture (USDA). Additional data sources include digital orthophotography from the USDA National Agriculture Imagery Program (NAIP) flown in July to August 2022 and the North Dakota Geological Survey LiDAR Map Series, which compiles raw data flown in July to August 2022 from the North Dakota State Water Commission. From this investigation, no landslides were mapped within the quadrangle.
