Incident Reported in Renville County

BISMARCK, N.D. - The North Dakota Oil and Gas Division was notified of a release occurring Saturday, June 30 at the Thompson central tank battery, about two miles east of Glenburn, North Dakota.

Berenergy Corporation reported Monday that 460 barrels of brine and 80 barrels of oil were released and contained within the diking on-site due to a tank overflow. A state inspector will be on location this week and all product has been reported as recovered.
