

**Sundry Type of Work Matrix**

*The matrix below outlines the relations between categories, sundry types, and types of work.*

Category	Sundry Type	Type of Work	
<b>Casing / Cement</b>	<b>Notification of Work Performed</b>	Report Alternative Cementing Operation	
		Report Casing Changes	
		Report of Casing Repair	
		Report Liner Run or Extended	
		Report Remedial Cement Work	
		Report Top Job on Surface Casing	
	<b>Intent to Perform Work</b>	Intent to Run/Extend Liner	
		Liner Repair	
	<b>Request to Perform Work</b>	Intent to Repair Casing	
		Request to Perform Remedial Cement Work	
		Request to Repair Casing	
	<b>Supplemental Information</b>	Report Pressure on Casing Annulus	
	<b>Request for Consideration / Waiver</b>	Request to Manage Casing Pressure	
Request to Revise Casing/Cementing Plan			
Tubing/Packer Waiver			

Category	Sundry Type	Type of Work
<b>Logs &amp; Testing</b>	<b>Notification of Work Performed</b>	Report Casing Integrity Testing
	<b>Intent to Perform Work</b>	Intent to Drill Pilot Hole and/or Cut Core
		Intent to Run Log/Logs
	<b>Supplemental Information</b>	Fluid Analysis
		Report of Lost Radioactive Source
		Submit Other Report
	<b>Request for Consideration/Waiver</b>	Core Submittal Extension
		Drill Cutting Samples Waiver
		Intent for No On-site Mud Logging
		Open Hole Log Waiver
		Request to Retain Core
	Request Variance/Waiver (Generic)	

Category	Sundry Type	Type of Work
<b>UIC</b>	<b>Notification of Work Performed</b>	High Pressure Injection Line Pressure Test
		Report Initial Pipeline Pressure Test
		Report of Acid Job
		Subsequent Remedial Action Casing (SRAC)
		Subsequent Remedial Action Tubing or Packer Repair (SRAT)
		Workover Report - Perforations Added
	<b>Request to Perform Work</b>	Intent to PA well
		Request to Repair (IREP) or Intent to Workover (IWRKO)
	<b>Supplemental Information</b>	As-built Site Schematic
		Date of First Injection
		Report of Injectivity Test Data
	<b>Request for Consideration / Waiver</b>	Maximum Injection Pressure Increase
		Permit Modification - Rate Increase Request
		UIC Permit Renewal

Category	Sundry Type	Type of Work
<b>Well Operations</b>	<b>Notification of Work Performed</b>	Production Method Changed
		Report of Additional Perforations in Same Pool
		Report of Refrac
		Returned to Production
		Spud Date
		Subsequent Report of TA Well
		Subsequent Report of Wellbore Commingling
		Well Status Update
	<b>Intent to Perform Work</b>	Intent to Commingle in the Wellbore
		Intent to Plug back Well
		Intent to Refrac Well
		Intent to Return to Production
		Intent to Workover
		Shut-in for Offset Frac
		Water Pre-fill
	<b>Request to Perform Work</b>	Intent to TA well
		Request to Add Perfs Same Pool
		Request to Plug and Abandon Well
		Request to Proceed with Completion
		Request to Return Well to Production
	<b>Request for Consideration / Waiver</b>	Berm Waiver Request
		Change in Completion Method
		Dike Waiver
		Filter Sock Container Waiver
		SOD extension (Operator Use)
		SOD extension (Internal Use)
		Suspension of Drilling
		Temporary Abandon Extension

Category	Sundry Type	Type of Work
<b>Well Information</b>	<b>Intent to Perform Work</b>	Permit Cancellation
		Suspension of Permit
	<b>Supplemental Information</b>	Report of Information Not Available
		Report Well Status/Condition
		Satisfy Compliance with NDIC Order
		Submit Revised/Corrected Information
	<b>Request to Perform Work</b>	Permit Renewal
	<b>Request for Consideration / Waiver</b>	Change in Confidential Status
		Intent Pilot Project
		Permit Cancellation By Operator
		Request for Re-evaluation/Reconsideration
		Request for Variance/Waiver to Rule or Policy
Well Name Change		

Category	Sundry Type	Type of Work
<b>Environmental</b>	<b>Notification of Work Performed</b>	Interim Reclaim
		Location Stabilization
		Location was Reclaimed
		Pit was Reclaimed
		Remediation project
	<b>Intent to Perform Work</b>	Fresh Water Pool
	<b>Request to Perform Work</b>	Request for Remediation Project
		Request to Construct Remote Pit
		Request to Reclaim Location
	<b>Supplemental Information</b>	Spill Prevention Plan
	<b>Request for Consideration / Waiver</b>	Waiver for Site Reclamation
