

SALTWATER DISPOSAL REPORT - FORM 16
SFN 5763

1. This report is required as a regular monthly report, regardless of the status of operations.
2. This completed report shall be a sworn report as provided for in Section 43-02-05-12 of the North Dakota Administrative Code (NDAC).
3. Please refer to Section 43-02-05-12 NDAC regarding reporting requirements for injection wells.
4. The well name and number, field, UIC number and location of the saltwater disposal well and the operators, well names and numbers, well file numbers and locations of the source wells shall coincide with the official records on file with the Commission.
5. All volumes shall be reported as barrels (42 gallons) and rounded to the nearest full barrel.
6. The operators of source wells that dispose of fluids in this disposal well shall be listed.
7. If the source of disposal water is not a particular well site, only the location need be listed.
8. When reporting source of disposal water and method of transportation, a "P" or "W" is sufficient to indicate pit or well water, and a "P" or "T" is sufficient to indicate transportation by pipeline or truck.
9. Monthly barrels transported shall be totaled at the end of the report.
10. If more space is needed to complete the source of disposal water and method of transportation portion of this report, attach a Saltwater Disposal Report Continuation - Form 16A (SFN 5764).
11. If this is an amended report, the amended volumes shall be clearly indicated.
12. The original of this report shall be filed with the Department of Mineral Resources, Oil and Gas Division, 600 East Boulevard, Dept. 474, Bismarck, ND 58505-0614, by the fifth day of the second succeeding month.
